- Familiar with the building codes, life safety codes and standards that can and do impact our community (used in my work for last 25 years.)
- Certifications held
  - Certified Safety Professional
  - Certified Fraud Examiner
  - Certified Protection Profession

### Goals:

I moved to Lucas for the same reasons that many of you did; to seek a peaceful country environment, escape heavy traffic, live in clean air and have good, friendly neighbors. I believe that requires hard work and commitment to maintain this style of living considering the rapid growth of metropolitan Dallas. I am willing to serve and represent **THE CITIZENS OF LUCAS** to maintain our life style and still accommodate growth that is acceptable to the citizens of Lucas.

**Your goals are my goals!**  
**Vote May 7.**
